David

Thanks,

Once you are in the meeting it's in Jared's hands as to how long you will be in it.

Hi Abi:

I wanted to clarify attendees from CA Division of Oil, Gas, and Geothermal Resources (DOGGR) for tomorrow's meeting –

Tim Kustic, State Oil and Gas Supervisor

John Geroch, Supervising Senior Oil and Gas Engineer of the UIC Unit (Cypress District Office)

Jerry Salera, UIC Program Manager

Also, I think we need the full hour (10-11am) if at all possible.

Thanks!

David
